Internship

A Keiter Internship will provide you with an opportunity to:

- Discover firsthand if public accounting is the right career for you
- Learn from seasoned professionals, including Partners
- Perform work that is typical of a first year associate
- Attend networking and social events with staff
- Tour client work sites and meet with business owners and entrepreneurs
- Receive competitive pay while gaining invaluable knowledge and experience
- Meet new friends!

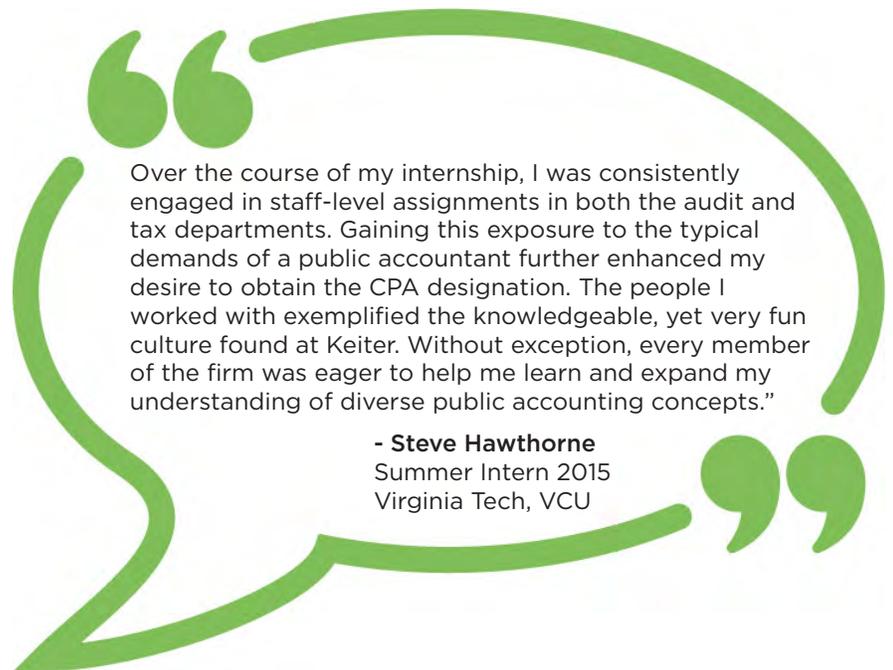

Spring Tax Co-Op

- Internships during the school year are ideal for students who live in Richmond, VA and who are interested in applying their classroom knowledge and working at least 20 hours per week while going to school with a GPA of at least 3.3
- Spring Interns will gain real world experience of what it is like to work in public accounting during the busiest time of the year
- Interns also participate in stress relief activities that provide a break from busy season work

Summer Internship

- Summer internships provide a real-world experience of what it's like to work in public accounting at the largest CPA firm headquartered in Richmond
- Summer interns gain experience in both Audit and Tax. They also get to participate in numerous staff events including client visits and intern outings
- Interns get the opportunity to participate in YRichmond events to learn about the city of Richmond

Your internship should match your goals, personal and professional interests, and your schedule. At Keiter, we offer internships that are a perfect fit for you.

Over the course of my internship, I was consistently engaged in staff-level assignments in both the audit and tax departments. Gaining this exposure to the typical demands of a public accountant further enhanced my desire to obtain the CPA designation. The people I worked with exemplified the knowledgeable, yet very fun culture found at Keiter. Without exception, every member of the firm was eager to help me learn and expand my understanding of diverse public accounting concepts.”
