Keiter Expands Specialty Tax Practice with the Addition of Terry Barrett

Glen Allen, VA – **Terry M. Barrett**, joins the Keiter team as a Senior Tax Manager where she will bring extensive experience to the State and Local Tax practice at the Firm.

“Keiter is excited to welcome Terry Barrett to our SALT practice,” explained Jen Flinchum, CPA, CFP®, Keiter’s Tax Practice Leader. “The focus on multistate tax issues has been increasing within our client base and Terry’s depth of experience will enable Keiter to better serve the growing demand through tax and risk minimization.”

Terry has over 25 years of tax experience in the public and private sectors. She consults with large and small businesses on multi-state tax issues. Terry’s clients include both local and national companies. She assists clients with state and local tax minimization, tax and nexus studies, assisting with voluntary disclosures, audit resolution and appeal, and refund/exposure reviews to determine refund opportunities as well as corrective measures. Her experience also includes extensive work with non-income taxes such as sales and use tax, local license (BPOL) tax, and property tax.

Prior to joining Keiter, Terry managed her own accounting firm, Terry Barrett & Associates, LLC. Terry has also worked as a State Tax Senior Manager at PwC, where she consulted on multistate tax issues. In addition, she developed her specialty in state and local tax while working as a Tax Policy Analyst for the Virginia Department of Taxation.

Keiter was founded in 1978 and provides a full range of financial services to businesses and their owners. Whether performing an audit examination or developing a business plan for a start-up, the Keiter team is always focused on providing fresh insights and creating new opportunities to help businesses grow. The Firm has over 120 employees in its Richmond office and is the third largest accounting firm in Richmond with 70 CPAs. Keiter has developed specialized expertise in serving the real estate, construction, manufacturing, and financial services industries, as well as nonprofit entities.
